A JOURNEY OF SERENITY AND TRADITION

ZEMI THAI HOUSE SPA

IN THE HEART OF THAILAND...

Over 300 years ago, in the lush landscapes of Thailand, a house was born. Not just any house, but a marvel of traditional Thai craftsmanship. Constructed with the revered “Mai Sak” or Teak wood, this house stood as a testament to a time-honored building technique that eschewed nails for pure skill and precision.

A VOYAGE ACROSS OCEANS...

As the world turned, this house embarked on an extraordinary journey. In the early 1970s, it was lovingly dismantled, each piece tenderly numbered, and embarked on a voyage to the serene shores of Anguilla. Here, like a puzzle of history and culture, it was reassembled with painstaking care, echoing its origins from the Chiang Mai region in Northern Thailand.

A NEW CHAPTER BEGINS...

In 2016, a new chapter unfolded as this house transformed into the Zemi Thai House Spa, nestled within the Zemi Beach House. This transformation marked the birth of a sanctuary of wellness. The once Rice Barn, now the Juice Bar, and the ancient beams and pillars now cradle five exquisite treatment suites, a Moroccan Hammam “Maghrebi”, and a realm of tranquility.

A HARMONIOUS CONNECTION...

At Zemi Thai House Spa, our mission transcends mere treatments. We strive to weave a tapestry of experiences that harmonize mind, body, and spirit. Our bespoke treatments are rituals of rejuvenation, designed to illuminate your inner beauty, hydrate your skin, and restore your health. We believe in creating a connection, a holistic inspiration that resonates with both our cherished guests and dedicated team members.

AN UNPARALLELED EXPERIENCE AWAITS...

Our menu of spa and wellness treatments is a palette of choices, customizable to your unique preferences. Our professional Asian therapists are custodians of an ancient art of healing and relaxation. They ensure your journey with us is not just memorable but transformative, melting away stress and replenishing your essence.

IMMERSE IN THE ESSENCE OF THAILAND...

As you step into Zemi Thai House Spa, you are “teleported” to the hilly terrains of Northern Thailand. The soothing water features of our Aty Vitality Pool are not just elements of relaxation; they are whispers of a culture rich in serenity and peace.

A UNIQUE HARMONY IN THE CARIBBEAN...

Whether it's the gentle touch of a massage, the nurturing of a body treatment, or the delicacy of a facial ritual, Zemi Thai House Spa offers more than services; it offers an experience. A unique blend of Thai tradition and Caribbean charm, where peace and harmony are not just promised but truly experienced.

Zemi Thai House Spa is a journey. A journey that began centuries ago in Thailand and continues today in Anguilla. It's a journey of tradition, culture, and unparalleled wellness experiences. We invite you to be a part of this story, to write your own chapter of relaxation and rejuvenation, **here at Zemi Thai House Spa.**
